/BO PENG/  
 Primary Examiner, Art Unit 1648

(Applicant/Applicant's Representative Signature – if appropriate)

10/26/10

The examiner indicated that Claim 37 has been found allowable in view of superior results shown in the specification. The examiner suggested including the probes of Claim 37 in independent form and including all of the limitations of the base claim. The examiner also proposed an amendment to the claims and rejoinder claims.

11/4/10

However, the applicant and the examiner didn't reach final agreement to put the claims in condition of allowance. Attorney B. J. Sadoff will submit a supplemental amendment in few days. The examiner will prepare an office action accordingly. The examiner indicated that applicant should timely file the supplemental amendment.
